Pendle Hill is just fifteen minutes from Philadelphia International Airport, and twenty minutes outside the city. The campus is near the Wallingford train station. Take the SEPTA Media/Elwyn line from Philadelphia and call for a pick-up.

Join the Pendle Hill maintenance team for a working weekend of fun, service, fellowship, and celebration as we engage in weather-appropriate work projects to spruce up Pendle Hill's grounds and buildings. There will be opportunities for worship sharing, as well as plenty of guided work for all levels of strength and ability — most of it medium to heavy.

**Lloyd Guindon** has carefully tended the Pendle Hill grounds for more than 25 years. A graduate of the Barnes Foundation's Arboretum School, he is a certified arborist with the International Society of Arboriculture. A lifelong Quaker currently active in Chester Monthly Meeting (PA), Lloyd is also a poet.

**Bob Denison** is a licensed clinical social worker providing hospice services. He is a member of Chester River Monthly Meeting (MD) and a former Pendle Hill resident student and board member with a gift for spiritual nurture.
