A TRINITY INSTITUTE CONFERENCE

You're invited to attend Values in Action, a Trinity Institute Conference.

This annual conference takes place in New York City and at partner sites around the country via live stream, including at Pendle Hill.

We all want to create a better world—and that requires action and connection. Discerning shared values is crucial to forming powerful partnerships and moving forward with courageous intention. Explore how we can set a collaborative course forward at this year's conference.
