Dear Friend,

As you prepare for applying to our Friends-in-Residency program, I invite you to complete your application by submitting the following required documents:

1. Please, write a biography statement that helps us to start getting to know you (Max. 400 words).
2. What is your Monthly Meeting Community?
3. What are your motivations to join our community as a Friend in Residence? (Max. 400 words).
4. You read our 'Friends in Residence Position Description'. Is there anything in that document that will be hard for you to do? What are the three elements on that position description that most appeal to you? Which of them are the less appealing to you?
5. Are you planning to join us by yourself? If not, please, explain.
6. If you are invited to be a Friend in Residence, when do you think you will be available to join our community?
7. What other personal information do you consider is important for us to know about you?
8. Please, provide us with three (3) references regarding community living.
9. An endorsement letter from your Monthly Meeting's clerk. For this purpose, please, provide to the clerk my contact information as showed below.

I look forward to receiving your application documents. Please, do not hesitate to contact me if you have any comment or question.
