

OCTOBER 22 - 26, 2019 (dinner Oct 22-lunch on Oct 26)

Beyond Diversity 101™ - RACE

Dispelling the Myths of White Superiority and the Inferiority of Black and Latinx Peoples

This BD101 workshop offers a space for people to name and transform internalized, interpersonal, and structural patterns of white supremacy, racism, and colonialism. We will work as a whole group as well as in racial identity Affinity for Healing Groups* to:

- ◆ Identify and understand patterns of racism, white supremacy, and colonization within ourselves and throughout society;
- ◆ Begin to replace these internalized patterns with ones of justice and liberation;
- ◆ Build skills in accessing inner guidance and reconnecting to ancestral wisdom for living into wholeness; and
- ◆ Develop skill in speaking from YOUR knowingness; speaking truth out loud.

*As we continue to grow BD101RACE, we will be adding more Affinity for Healing Groups to include more People of Color.
