## ***Co-Creation: Painting Ourselves in God's Love***

*A New Year's Retreat Online with Jesse White*

*Four sessions on Tuesdays, 6:00 pm-8:00 pm ET  
over four weeks January 5-26, 2021*

We are children of God. In this self-portrait painting adventure, we will explore what we see and feel when we gaze at our reflections with unconditional love. We are strong, and brave, and beautifully fallible. We are on a life journey with divinity, to divinity. At this threshold of a brand new year, we will reflect on how great Spirit's love is for each of us.

Participants will create one or more self-portraits using realism, energetic abstraction, and/or symbolism. There will be plenty of time to paint, hear poetry, reflect, and share with each other. Start the new year a practice of self-love, fostered by a supportive and creative community.

No particular experience or skill in painting or drawing needed. Participants may paint with acrylics, watercolors, gouache, or oil paints. For a full list of materials, please see [www.pendlehill.org](http://www.pendlehill.org).
