Nature Walk

On-campus: May 7, 2023
1:30—3:00 PM

Neighbors and F/friends of all ages are invited to walk the grounds of Pendle Hill with John Gruber, a science teacher and researcher at Friends' Central School, and Lloyd Guindon, the tender of Pendle Hill's campus and trees for over 30 years. We will learn about the rich interconnected layers of human, animal, and plant life all around us.

Wear comfortable shoes and be prepared for an afternoon outdoors, sharing space with everything nature has to offer!

John Gruber
