Stephen G. Cary Memorial Lecture **Forging Beloved Community with Friends: A Journey through the Refiner's Fire**

Online and On-campus: Sept 11, 2023, 7:30 PM, EST

In a world wrought by lies, injustice, and violence, how do we live out our Quaker faith and spiritual truths? How do we live “in the virtue of that life and power that takes away the occasion of war”? How do we “walk cheerfully over the Earth” while sacred forests burn and oceans rise around us? How do we “seek that of God in everyone” when we are so deeply divided from one another by fear and pain? Bridget Moix shares lessons, laughter, and Light from her journey with Friends toward becoming the beloved community we seek.

Bridget Moix,
General Secretary
Friends Committee on National Legislation
