Clearness Committees: Spiritual Discernment in Community for Personal and Social Transformation

On-campus: Mar 22-24, 2024

**A retreat for deepening skills and spiritual practice
in a caring and supportive community.**

The journey toward reinventing and transforming limiting beliefs takes courage, self-awareness, a growth mindset, a vision of a just and equitable society, a supportive, caring community, and more. The Quaker Clearness Committee is a unique process of individual and communal spiritual discernment that can support you in this journey. Discover a vision of your life re-imagined and hear the call of your inspired, actionable dreams. In this retreat, you will learn an energized version of the Clearness Committee based on the work of Parker J. Palmer and the Center for Courage & Renewal®. Leave the retreat with a deeper understanding of the Clearness Committee to support your own practice, your communities, and a society where peace and justice prevail. Rewrite the next chapter of your life in a safe, dynamic, caring and supportive community.
