Kairos on the Mountain

Monteverde, Costa Rica: May 15–22, 2024

A spiritual pilgrimage to Costa Rica with Francisco Burgos.

This year, Francisco Burgos will lead a pilgrimage to Monteverde, Costa Rica. As we explore nature, accompany one another, and create space for practices that nurture our spiritual journey, participants will be invited to embrace daily life with simplicity, gratitude, hope, and a deep sense of connection.

Kairos on the Mountain is an invitation to pause, reflect on your personal and communal spiritual path, and encounter the divine in nature while walking with others and experiencing the living dynamic between community and solitude.

Participants will learn about the history of the Quaker community in Monteverde as they explore the beauty of the cloud forest.

The pilgrimage will create a unique space for spiritual growth by combining key practices from Quaker and other faith traditions, and provide the opportunity to engage in contemplative praying of the Scriptures and experience the deep practice of worship sharing. This kairos pilgrimage is rooted in meeting for worship, worship sharing, lectio divina (divine reading), silence, community, and celebration.
