Follow the Star: Pendle Hill Community Chorus Concert

Swarthmore Friends Meetinghouse: Dec 13, 2024

Directed by Jacqueline Coren, the Pendle Hill Chorus and special guests will present seasonal music from the 13th to the 21st century. The theme is drawn from one of the offerings, a selection from "Ballad of the Brown King" by Margaret Bonds, with text by Langston Hughes. The concert will include opportunities for audience participation and will conclude with a community sing-along. The program is entirely child-friendly, both in content and length. Please join us!
