Stephen G. Cary Memorial Lecture **Light Within and Light Without - The Personal and Political in the Formation of a Palestinian-American Quaker Identity**

Online and On Campus: Sep 9, 2024, 7:30 PM, ET

As a lifelong Quaker, Steve Tamari will examine intersections and contradictions within a faith tradition that strives to balance individual spiritual experience with political activism at a time when this country, including Quaker communities, is divided on how to respond to Israel's war on Palestinians.
