The Pendle Hill Chorus: O, Mystery! Music for the Soul

**On Campus: Wednesdays, 7:00pm-8:30pm ET
Sep 11-Dec 11, 2024**

**A non-audition community chorus welcoming all for rehearsals leading up to
the winter concert on December 18th.**

The theme of this Fall season draws its name from one of the offerings, "Mystery" from Missa Gaia: Earth Mass. Offerings will be varied and will include music by Rosephanye Powell, Herbert Howells, G.F Handel, Bobby McFerrin, and others.

Our repertoire of sacred and secular music from around the world is challenging yet accessible through practicing together and individual audio/visual learning material. The only requirement is a commitment to learning the music and supporting each other through attendance at weekly rehearsals.
