commuter online.

Worship Sojourn Weekend

On Campus: Sep 27-28, 2024

**Enjoy on-campus worship, meals, and time together with fellow
worship community members, and other F/friends, to celebrate
Pendle Hill's birthday!**

This weekend will include space for Pendle Hill worship community members and other F/friends to cultivate and deepen connections with each other, and will also include some light programming.

After worship on Sunday morning, Friend-in-Residence Jennifer Kavanagh will offer a workshop, *What is Prayer*: Many of us have a problem with the word, maybe the whole concept, of prayer. This workshop gives us the opportunity to share what we feel about it and explore different types of prayer. What is prayer? Who or what do we pray to? Does it work?

Join as an overnight guest during or around this weekend, or come as a commuter.
