Resident Reunion

Online: Sep 28, 2024, 1:30pm-3:30pm ET

Alums are invited to join other Pendle Hill residents, students, scholars, Friends in Residence, and staff from years past to celebrate Pendle Hill's 94th Birthday!

Executive director Francisco Burgos, director of education Frances Kreimer, and other current Pendle Hill staff will host this online reunion, celebrating 94 years of Pendle Hill.

Learn about our current programming, and the continued growth of our resident and remote learning communities. We will share worship, reconnect with your class year in breakout rooms, and learn about plans for our 95th Anniversary Gathering, September 26-28, 2025 at Pendle Hill!
