Journey Inward, Journey Outward: The Genius of Pendle Hill

On Campus: Apr 21, 23, 25, 2025

A course for seekers to co-create a community that nurtures, inspires, and supports our journeys, with John Baird.

We will be exploring our gifts, new possibilities, life transitions, and more in the company of fellow seekers, grounded in the Circle of Trust® approach developed by Quaker writer Parker Palmer and the Center of Courage and Renewal®. We will create a brave and trustworthy space where participants support one another in listening to the voice of the soul. We will use poetry, story, music, and art, attend to the beauty of natural world, listen to our own inner teacher, and gather in small and large group settings to “hear one another into speech.”
