The Pendle Hill Chorus: Spring Ensemble

**On Campus: Wednesdays, 7:00 – 8:30pm, ET
Feb 26 – April 30, 2025**

A non-audition chorus welcoming all for rehearsals leading up to the spring concert on May 7, 2025.

The Pendle Hill Chorus invites new members for an exciting Spring season! Singing since 1993, we are a non-audition ensemble, welcoming all – from the beginner to the more experienced. The ability to read music, while helpful, is not required. Our repertoire of sacred and secular music from around the world is challenging yet accessible through practicing together and individual audio/visual learning material. The only requirement is a commitment to learning the music and supporting each other through attendance at weekly rehearsals.

Please contact Jackie and Joan directly with any questions. They'd love to talk with you about the Chorus!
