Kairos: A Spiritual Journey

On Campus: Jul 17-20, 2025

An on-campus spiritual retreat based on the monastic practice of worshipping, working, and studying while experiencing solitude and community living, with Francisco Burgos.

This retreat is designed for nurturing the Effetá in our life – the movement of being attentive to the Spirit in our challenging world. Participants will have an opportunity to reconnect with one another as we explore and nurture our experience of being in relationship with the Divine. In this space, we will be invited to contemplate and reflect on how my/our openness to the Spirit is manifested in my/our presence in the world. We will explore practice and queries that will support participants in their spiritual journey as we individually and collectively build in the importance of hope and love in time of adversity. Participants will create a unique space for spiritual growth by combining key practices from Quaker and other faith traditions, and they will have the opportunity to engage in contemplative praying of the Scriptures as they experience the deep practice of worship sharing.
